

MOHD FAIZ BIN ROSLEE

Phone Number : 012-488 0756
Email : faizroslee1196@gmail.com
Address : Butterworth Pulau Pinang
Date of Birth : 29 November 1996

PROFILE SUMMARY

Motivated PHP Developer with proven experience as a Senior Programmer, seeking to build a sustainable career in programming and software development. Skilled in problem-solving, process execution, and delivering high-quality solutions, with a strong academic foundation and hands-on experience in business applications. Adept at collaborating with cross-functional teams to design, develop, and optimize web-based systems. Committed, flexible, and ethical professional, capable of working across various shifts while maintaining high standards of performance and reliability.

WORK EXPERIENCE

PHP Developer & Senior PHP Developer | Unijaya Resources Sdn Bhd May 2023 – Feb 2025

- Develop, maintain, and optimize web-based applications using PHP (Laravel & Yii2), ensuring high performance, scalability, and reliability.
- Design, integrate, and monitor RESTful APIs for seamless communication between multiple systems, including real-time performance tracking tools.
- Architect microservices-based systems and implement database solutions (MySQL, PostgreSQL, Oracle) with optimized indexing, triggers, and data migration.
- Lead, mentor, and guide junior developers while conducting thorough code reviews to enforce standards and improve team productivity.
- Propose and implement workflow improvements, CI/CD pipelines, and automated deployment strategies to enhance development efficiency and system maintainability.

Senior PHP Laravel Developer | Bestweb Technologies Sdn Bhd Sep 2022 – Mar 2023

- Develop web applications and server-side APIs using PHP Laravel Framework to support web and mobile platforms.
- Collaborate with front-end developers to ensure smooth integration, optimal performance, and seamless user experience.
- Provide technical guidance to junior developers and enforce best practices through code review processes.
- Optimize development workflows, reduce production issues, and implement scalable solutions for project requirements.
- Contribute to process improvement, ensuring efficient application development, deployment, and system maintenance.

Senior Programmer & PHP Developer | Myrich Dynasty Networks Sdn Bhd Jul 2019 – Aug 2022

- Develop, test, and maintain web and software applications while ensuring code quality, efficiency, and consistency.
- Perform system integration, acceptance testing, and deliver end-to-end solutions to meet client requirements.
- Prepare comprehensive project documentation, including requirements, design, test results, manuals, and training guides.
- Participate in system implementation, deployment, and troubleshooting to ensure operational reliability.
- Collaborate with cross-functional teams to provide technical solutions and support continuous improvement initiatives.

EDUCATIONAL BACKGROUND

Politeknik Seberang Perai 2014 – 2017
Diploma in Information Technology (Programming) | CGPA : 3.35

Sekolah Menengah Kebangsaan Telok Air Tawar, Pulau Pinang 2009 – 2012
Malaysian Certificate of Education (SPM) | 2A, 5B, 1C,

TECHNICAL SKILLS

Programming Languages:

PHP (Vanilla PHP, Laravel, Yii2), JavaScript (Vanilla JS, Vue.js, jQuery, AJAX), HTML5, CSS3, Shell Scripting for CI/CD

Frontend Technologies:

HTML/CSS, Bootstrap, jQuery, AJAX, Vue.js

Backend Technologies & Development:

PHP Laravel & Yii2, RESTful API development and integration, Microservices architecture, Custom ACL systems, Database performance tuning, Data migration (Oracle to MySQL), Database triggers for audit logging, Git version control

Databases:

MySQL, PostgreSQL, Oracle, large dataset handling, indexing, view tables, audit logging

DevOps & Deployment:

CI/CD pipelines, Kubernetes, Git version control

SOFT SKILLS

- Hardworking
- Effective Communication
- Teamwork & Independent Work
- Work Commitment
- Punctuality
- Flexibility
- Respectfulness
- Discipline
- Ability to Work Under Pressure
- Willingness to Learn

LANGUAGES

- Malay - Native
- English - Excellent (MUET : Band 3)
